

3 Ways to Keep Students Safer Online

1) Administration Must Have and Enforce an “Acceptable Use Policy.”

- How students can/cannot use the technology.
- Consequences.
- Signed by school, student, and parent.

2) Implement Safe Practices (part of AUP).

- Teacher, student & classroom web sites.
 - Can represent school or district.
 - Post only appropriate content.
- Use of student names.
 - First name only, nick names, or no names.
- Pictures:
 - Posting of student work.
 - Get written permission before posting.
 - May choose to post work without pictures.

3) Be an Internet Safety Advocate.

- Become educated.
 - Learn about the new technologies.
 - Know your school’s AUP.
 - Enforce it.
- Be an example of Internet safety.

“Digital citizenship and media literacy is the new online safety.”

- Anne Collier (2009)
