

# Fax Request Form for a Presentation On Internet Safety

---

Yes, I want a free presentation on Internet safety at my school.

School: \_\_\_\_\_  
Name of Contact: \_\_\_\_\_  
E-mail: \_\_\_\_\_  
Phone: \_\_\_\_\_

Topics that can be presented to Students, Faculty and/or Parents:

- Never respond to a cyber-bully, save the evidence, and report it.
- So what IS personal information? Protect Your Identity.
- Stick with what is real, only accept online “friends” you know in real life.
- Adults you know and trust can help you, but only if you talk to them.
- Posting a picture only takes a second, but can last forever.
- Computer security protocol – proper password use, sharing SSNs, spam, phishing, etc.
- What teachers/parents can do to create a safer environment at school and at home.

Length of Presentations:

- \_\_\_\_\_ minutes for Faculty
  - 30 minutes K-2 and 30 minutes for 3-6
  - 45-60 minutes for students in Junior High/Middle School or High School
  - 1 hour for parents in the evening
